YEARS IN THE INDUSTRY	CLIENTS SERVED	ELECTRICAL CONTRACTOR	PUBLIC LIABILITY COVER	REGION WIDE COVERAGE

WHO WE ARE

Company Overview

Platinum Spark is a licensed electrical and solar contractor servicing the Sydney region. We deliver supply and installation, maintenance, servicing and consultation across residential, commercial and large scale projects.

With more than 10 years in the industry and over 150 clients served, we pair technical capability with a commercial mindset. Our team works alongside homeowners, builders, developers and facility managers to align scope, budget and programme from first consultation through to handover and ongoing support.

OUR COMMITMENT

Value Proposition

Value for money
Transparent quoting, right sized design and a focus on whole of life cost.

Long term partnerships
One point of contact and ongoing support well beyond handover.

Quality and compliance
Licensed, fully insured and delivering to current Australian Standards.

Stakeholder alignment
Clear communication with clients, builders, certifiers and networks.
